

KS-RCA | KS-XLR | KF-RCA | KF-DIN

Interconnect and phono cables

Crafted from high-quality copper, our interconnect and phono cables ensure reliable and clear signal transmission across your audio equipment. While designed to perfectly complement the Unitra system, their universal compatibility makes them an excellent choice for any high-fidelity setup. Finished with gold-plated connectors and a durable braided sleeve, they combine long-lasting performance with a subtle, sophisticated elegance.
